 **SYNTECCO**<sup>®</sup>  
yarn solutions

Syntecco® is a brand invented and owned jointly by Asli A/S and Fiberpartner Aps. Both companies have decades of experience with technical yarns. Syntecco® is a range of technical yarns supplied worldwide to demanding customers. Syntecco's many years of experience dealing in raw materials are evident in today's global activities. A worldwide network across raw materials, machinery and finished products makes Syntecco® unique within the industry of technical yarns. Through constant development and improvement of products and services to clients and suppliers, Syntecco® is striving to be the preferred partner of companies dealing in yarns. The focus is on customer needs – Syntecco® will locate, get manufactured and deliver – with the best quality/price ratio in the market.

Long lasting partnerships are created through personal contact with clients and suppliers. Regular visits to both new and old partners keep Syntecco® informed of the latest developments in what manufacturers can supply and what customers demand.

# syntecco®

RAW MATERIAL	TYPE	DTEX	FINISHING	COLOURS	APPLICATIONS
Polyester	High tenacity Abrasion resistant Adhesive Activated Low elongation Marine Finish	167-220.000	Intermingled Twisted Plyed	Bright Colours	Webbings Narrow fabrics Cordages Deep sea moorings Ropes Nets Strappings Slings Geotextiles Seat belts Fire Hoses Hoses Filtrations
Polyester	Low shrinkage HMLS Adhesive Activated	167-220.000	Intermingled Twisted Plyed	Bright Black	Tarpaulins Tire Cords Filtrations Fire hoses Hoses Sewing Threads

Nylon 6	High Tenacity Regular shrinkage	210-220.000	Intermingled Twisted Plyed	Bright Colours	Webbings Narrow fabrics Cordages Ropes Nets
Nylon 66	High Tenacity Regular shrinkage	235-220.000	Intermingled Twisted Plyed	Bright	Webbings Narrow fabrics Cordages Ropes Nets
P.P Multifilament	High Tenacity Regular shrinkage	440-220.000	Intermingled Twisted Plyed	Raw white Colours	Webbings Narrow fabrics Cordages Ropes Nets Strappings Geotextiles Filtrations
Polyester Textured	PTY FTY ATY	50-2880	Flat Slight intermingled Normal intermingled Strong Intermingled Plyed	Semi dull Colours	Webbings Cords Ropes Sewing Threads Cables Filtrations Binders
Polyester spun	Regular	Nm 1-100	Ring Open end Twisted Converting	Semi dull Colours	Webbings Cords Ropes Sewing Threads Cables Sun protections Fillings
